# We are a Small Company, Doing Big Business

At Aegis, we take pride in our reputation as a premier brand in metal buildings and envelope solutions. Our success rests on our deep understanding of the industry, our track record of consistently delivering projects on time and on budget, and our commitment to excellence in everything we do.

## Industry Experience

With over two decades of industry experience, Aegis has weathered every trend, evolving customer needs, and regulatory shifts. Through it all, we've adapted, ensuring our continued success and that of our customers. Our enduring presence in the industry, reflects our resilience in adapting to change by offering customized solutions that deliver results.

## Metal Buildings Expertise

We are more than a metal buildings and components supplier; we are a partner you can count on. Builders, general contractors, and architects turn to us for insights that go beyond the conventional. The Aegis team has the knowledge and expertise to guide your project every step of the way, ensuring that your projects exceed expectations.

## Customer Service Excellence

Customer satisfaction is one of our core values and is at the heart of what we do. From the first point of contact, be it a phone call or an in-person meeting, to the post-deliver phase, our objective is to leave a lasting impression and cultivate enduring partnerships.

## Strategic Partnerships

As an authorized dealer and partner to several national brands in the metal building industry, we bring you the assurance of quality and reliability when it comes to our products. Our partnerships reflect our dedication to excellence and our commitment to providing you with best-in-class products known for superior performance and maximum value.

# Solutions that Deliver Success

As your metal buildings single-source provider, Aegis offers comprehensive metal building solutions to streamline your project from start to finish. By consolidating your metal building needs under one roof, we not only ensure seamless coordination but also help save you time and money.

**Our product offering includes a wide range of metal building products:**

- Pre-engineered Metal Buildings
- Roof and Wall Systems
- Rigid Board Insulation Systems
- Components and accessories
- Big Glass & Curtain Wall

## Pre-Engineered Metal Buildings

From agricultural structures to commercial facilities and industrial complexes, our pre-engineered metal buildings are known for their durability, longevity and design flexibility. Today's customers demand much more than a simple metal building and our structures offer countless architectural possibilities far beyond the notion of a simple metal box.

## Roofing and Wall Systems

You can expect exceptional performance and versatility from our wide selection of roof and wall systems. Whether it's single skin or insulated metal panels, exposed fastener or concealed fastener systems, or even interior wall liner panels, our roofing and wall panels offer customized solutions for your unique needs.

## Components & Accessories

We offer everything you need to bring your metal building to fruition. As an approved service provider for MBCI, a renowned national brand specializing in metal components, we offer top-tier products that define the benchmark for quality. From architectural accessories to commercial and industrial trim, we have what you need to bring your project to life.

## Continuous Rigid Insulation Systems

Aegis is an authorized distributor of R-Seal continuous rigid insulation systems. R-Seal is the premier choice for roofing and wall insulation for metal buildings. Unmatched in its durability and specifically engineered to address the unique challenges faced by metal building erectors, the R-Seal insulation system offers the highest R-value per inch in the industry.

## Big Glass and Curtain Wall

Through Eurostar Fenestration, we offer big glass and curtain walls tailored for your metal buildings. By introducing large glass panels and curtain wall systems, your metal building is transformed into a modern, dynamic space that defies conventional expectations.

## We are Here to Serve You

Our goal is to serve as your comprehensive solutions provider and simply your project for optimal efficiency. Connect with us today to explore the limitless possibilities of our products and a trusted partner committed to your success.
